Happy Birthday!

18 - David Stoehr

21 - Kathy Priore

20 - Dominic Nolder

22 - Carl Conrow

2007 Theme: Humility

November's Verse:

"But as for me, when they were sick, my clothing was sackcloth: I humbled my soul with fasting; and my prayer returned into mine own bosom."

Psalms 35:13

December Events

- 1 - Saturday - **Men's Fellowship Breakfast.** Field trip to Prospect Avenue Baptist Church in Buffalo. Leave the church at 8:15 AM.
- 6 - Thursday - **Seniors' Fellowship and Dinner**, 10:30 AM. Last one of the year. Christmas theme. Please bring a dessert to share.
- 9 - Sunday - Pastor and Mrs. Tom Stiles to speak in the training hour sessions. Pastor Stiles to speak in the evening service.
- 14 - Friday - **Homeschoolers' Christmas Party**, 11:00 AM.
- 19 - Wednesday - Mark and Amber Bosje, Missionaries to New Zealand/Thailand to report.
- 22 - Saturday - Christmas Caroling, 6:00 PM. Everyone welcome!
- 23 - Sunday - Christmas Candlelight Service, 7:00 PM.
- 24 - Monday - Lakeshore Nursing Home Christmas Program, 10:15 AM.
- 25 - Tuesday - Merry Christmas!
- 27-29 - Baptist Snow Camp for the teenagers, Sinclairville, NY.
- 30 - Sunday - Dinner served by the losing team from our men vs. women Wednesday attendance contest followed by our last service of the year.

Let's "Change" the World Through Missions

Our change weigh-in will be held on Thanksgiving Eve during the service. Bring in all of your spare change for missions. This year our challenge is to out-weigh Pastor. That will take about 175 lbs of change. Pastor will throw an ice cream party on November 25 if we reach our goal.

Since Last Thanksgiving...

1. Your heart has beat 40,000,000 times. (That is 109,589 times each day, 4,566 times per hour, and 75 times per minute.)
The Heart pumps blood through 1000's of miles of arteries every minute. The blood makes the trip throughout your body every 23 seconds. That is 3,756
2. **Your eyelids have blinked 4.2 million times. (That's 11,507 times per day, 719 times each hour you were awake, and 12 times per minute.)**
3. Your lungs took between 6,289,920 and 10,483,200 breaths depending on a rate of 12-20 breaths per minute. (at 12 bpm **that's about 17,000 per day and 121,000 per week! At 20 bpm that is about 28,000 and 202,000 per week.**)

"...the God in whose hand thy breath is..." Daniel 5:23

"Neither is worshipped with men's hands, as though he needed any thing, seeing he giveth to all life, and breath, and all things...For in him we live, and move, and have our being; as certain also of your own poets have said, For we are also his offspring."

Acts 17:25, 28

Question: How many miles does the Earth travel in space each day?

Answer: The first and simple answer is found by calculating the **circumference of the Earth's orbit around the sun and dividing by the number of day in a year.**

The average distance from the sun to the Earth is 150 million kilometers or 93.2 million miles. Multiplying by 2 Pi gives 585.6 million miles for the circumference. Dividing this by 365.25 days per year gives 1.603 million miles per day. The actual average orbital velocity is closer to 18.5 miles per second, accounting for the fact that the orbit is slightly elliptical. Using this value gives a more accurate 1.598 million miles per day average.

Christmas is the time when we celebrate the birth of Jesus Christ. We are working on getting a present for Him and His work. We would like to get a new booklet maker for the church printing ministry. Any gift, any size would help.
