Prayer	Answered
I asked for strength that I might achieve;	I was made weak that I might obey.
I asked for health that I might do greater things;	I was given grace that I might do better things.
I asked for riches that I might be happy;	I was given poverty that I might be wise
I asked for power that I might have the praise of men;	I was given weakness that I might feel the need of God.
I asked for all things that I might enjoy life;	I was given life that I might enjoy all things.
I received nothing that I asked for,	All that I hoped for, My Prayer Was Answered
