Amazing Science in the King James Bible

31. **Willing Ignorance Predicted**

(2 Peter 3:5-6)

The fact that God once flooded the earth would be denied. There is a mass of fossil evidence to prove this fact, yet it is flatly ignored by most of the scientific world because it was God's judgment on man's wickedness. Millions of different types of life have been fossilized indicating sudden burial.

32. **Continents Created as One Large Land Mass** (Genesis 1:9-10)

Many geologists agree there is strong evidence that the earth was originally one super continent just as the Bible said way back in Genesis. Continental drift is inferred in Genesis 7:11 and 10:25. Today the study of the ocean floor indicates that the landmasses have been ripped apart. Scripture states that during the global Flood the "fountains of the great deep were broken up." This cataclysmic event apparently resulted in the continental plates breaking and shifting. "The earth divided."

Victory Verses: Nakedness

*" For the
LORD brought Judah
low because of Ahaz king
of Israel; for he made Judah
naked, and transgressed
sore against the LORD."*

2 Chronicles 28:19

Revelation 3:18

*" I counsel thee to buy of me
Gold tried in the fire, that
Thou mayest be rich; and white
raiment, that thou mayest be
clothed, and that the shame of
thy nakedness do not
appear; and anoint thine
eyes with eyesalve,
that thou
mayest see.*

What is your "besetting sin"?

Do you have any verses
memorized to help overcome it?

Jesus quoted Scripture when He
faced temptation. We should too!
(Matthew 4:1-11; Ephesians 6:17)

An Excerpt from the

Christian Gentleman's Handbook

At the dinner table, a gentleman is careful to assist the woman to the right of him as she sits or rises from her chair.

A gentleman may feel perfectly comfortable eating finger foods such as French fries, fried chicken, etc., with his fingers.
