## *The Bridge Builder*

Will Allen Dromgoole

An old man, going a lone highway,  
 Came at the evening, cold and gray,  
 To a chasm, vast and deep and wide,  
 Through which was flowing a sullen tide.  
 The old man crossed in the twilight dim;  
 The sullen stream had no fears for him;  
 But he turned when safe on the other side  
 And built a bridge to span the tide.

"Old man," said a fellow pilgrim near,  
 "You are wasting strength with building here;  
 Your journey will end with the ending day;  
 You never again must pass this way;  
 You have crossed the chasm deep and wide-  
 Why build you the bridge at the eventide?"

The builder lifted his old gray head:  
 "Good friend, in the path I have come," he said,  
 "There followeth after me today  
 A youth whose feet must pass this way.  
 This chasm that has been naught to me  
 To that fair-haired youth may a pitfall be.  
 He, too, must cross in the twilight dim;  
 Good friend, I am building this bridge for him."

## *Amazing Science in the King James Bible*

### *Fact #87*

#### **The Real You is Spirit**

(Numbers 16:22; Zechariah 12:1)

Personality is non-physical. For example, after a heart transplant the recipient does not receive the donor's character. An amputee is not half the person he was before losing his limbs. Our eternal nature is spirit, heart, soul and mind. The Bible tells us that "man looketh on the outward appearance, but the Lord looketh on the heart" (1 Samuel 16:7).

### *Fact #86*

#### **Pseudo Science Anticipated**

(1 Timothy 6:20)

The theory of evolution contradicts the observable evidence. The Bible warned us in advance that there would be those who would profess: "profane and vain babblings, and oppositions of science falsely so called." True science agrees with the Creator's Word.

## *Christian Gentleman's Handbook*

A Christian gentleman should arrive at church with a smile and a pleasant demeanor.

A gentleman does not approach the pastor with troubles or problems, whether church or personal, before the service begins.
