"I Was Drunk"

The latest issue of the scientific magazine Discovery contained a study on women today. One of the sad points of the study dealt with the question of when the women lost their "purity." 50% of the women responded it was when "I was drunk." Alcohol and women don't mix! It's not worth it.

Titus 2:4 says, "that they may teach the **young women** to be **sober**..." To be **sober** means a women should be in control of her body and her emotions at all times. This can save ladies a lot of pain in life. God can help us be sanctified in every realm of our being - I Thessalonians 5:23. Pray for His help each day!

Church & Chapel Vision Mission Statement

"To produce true believers in Jesus Christ and to help each one become a student of God and His Word until they become like the Lord."

When Looking for a Mate:

Right Order of Priorities	Wrong Emphasis (World's Way)
1. Spirituality	1. Physical First
2. Personality	2. Personality
3. Physical Last	3. Spirituality (only if "needed")

A Thot for Parents

Children learn persistence from fathers. Research at BYU shows that dads are in a unique position to help their adolescent children develop persistence. BYU professors Laura Padilla-Walker and Randal Day arrived at the findings after following 325 families over several years. (medicalnewstoday.com/releases/246651.php)

Teacher Tips

What must believers be taught?

2 Timothy 3:16

1. The Word of God is profitable for doctrine: What is right!
2. The word of God is profitable for reproof: What is wrong!
3. The Word of God is profitable for correction: how to get right when you are wrong!
4. The Word of God is profitable for instruction in righteousness: how to stay right when you are right!
