Interpretations of Love

Patience is love on the anvil, bearing blow after blow of suffering.

Zeal is love in the harvest field, never tiring of toil.

Meekness is love in company, when it vaunteth not itself.

Perseverance is love on a journey, pressing on with unflagging step toward the end.

Joy is love making its own sunshine, where others see nothing but gloom.

Power is love driving the soul's chariot wheels over all opposition.

Gentleness is nothing but love in her own sweet voice and charming manner. - Anon.

If this is your first time with us, we hope you have received your welcome gift! Please fill out the blue info card and place it in the offering plate, or hand to any usher on your way out. Thanks for joining us!
